### About This Game

**Battle Commanders** is a fast-paced, competitive battle simulation that combines the intense nature of RTS with RPG-like elements in a high-fantasy setting. Control a band of fighters that have a wide variety of personalities, combat styles and unique abilities that are customizable to your liking. Challenge friends and foes alike and ensure that your team comes out victorious in this epic and hectic battle simulation that adds a new twist to the popular MOBA genre!

### YOU CALL THE SHOTS

Have you ever been bored of witnessing countless waves of minions charging through the lanes to their inevitable doom? Haven't there been times you wished you could command these poor souls to glory by planning and executing the ultimate strategy? If your answer is yes, then jump straight into the action as a Battle Commander where you control every aspect of the battlefield by commanding each and every one of your misfits on where to strike, capture or defend!

### AN IRRESISTIBLY COLORFUL AND ENCHANTING WORLD

Immerse yourself within explosive action through glorious combat, all the while experiencing the beautiful environment entwined with hilarious and peppy hand-drawn artwork.

### TEST YOUR WITS AGAINST OTHER PLAYERS

Devise the ultimate battle strategy and take the fight to the enemy! Test your skills in 3 versus 3 matches, where you can team up with your friends or meet new players online and emerge as the triumphant side!
